Adopt-A-VHS at NEFRL

The NEF Research Library has over 300 VHS tapes, and after about 6 months, Doug Hickok has diligently preserved (and converted) about 40 of them. This will be a multi-year effort.

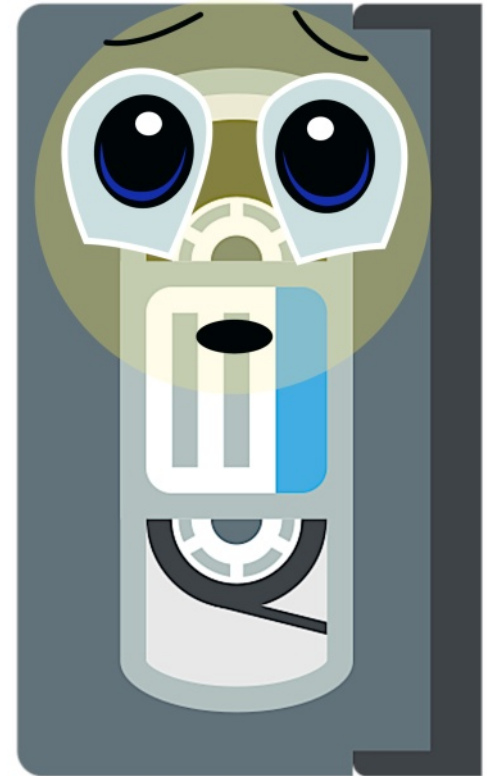

If there's a VHS in the catalog that you'd like to see "As Soon As Possible", or if you'd just like to support the effort, we're offering an Adopt-A-VHS program that would bring it to the front of the queue.

What to do:

- ▶ **Identify the video** you'd like to sponsor from the catalog.
Catalog: <https://naturisteducation.us/library/materials/catalogs/videos.html>
- ▶ **Send in a \$20 or more donation.**
Donate: <https://naturisteducation.org/donate/>
- ▶ **Let us know** which video you are sponsoring.
Email: Doug.Hickok@NaturistEducation.org

In return:

- ▶ The video will be a priority.
- ▶ I'll keep you in the loop on when to expect it.
- ▶ I'll send a couple "action shots" when I'm working on it.
- ▶ You'll be able to view it before it's available to anyone else.

[FCNRL Head Librarian Steve Bredschneider and NEF Secretary Jim Dickey at The Federation of Canadian Naturists Research Library]

Welcome Aboard, FCNRL!

By Claude Richards

The Federation of Canadian Naturists Research Library, currently located in a house trailer being renovated at Bare Oaks Family Nudist Park in Ontario CA, joined the Nudist Research Library Consortium, now making the consortium an international organization comprised of five libraries.

The Nudist Research Library Consortium is a cooperative agreement between independent libraries with the shared mission of preserving and archiving the history of social nudism. One of the consortium's main goals is to improve access by digitizing research material and sharing info.

Steve, Jim, and NEFRL Librarian Claude Richards recently had an opportunity to spend some time at the FCN library to review its current status and discuss ideas on how the library can best move forward.

Presently Steve is keeping busy with the large task of organizing and cataloging their collection.

Plans are then to scan the materials, giving priority to Canadian publications not already scanned by the other libraries.

When finished, the library will contain several donated collections of magazines, newspaper clippings, videos and other archival material from the world of naturism that go back to the beginning of the 20th century. It will be an invaluable resource, especially for anyone interested in Canadian naturist history.
